

# Puffball, So Where's your Vision?

How can you say that you're improving.  
Cause I have never seen you moving.  
Someone saw you out last week.  
So was it you or some other geek ?

OPEN YOUR EYES OR IT'LL ALL BE GONE.  
SWITCH YOUR EARS TO POSITION &quot;ON&quot;.

Are you immune to the things out there.  
An influence must be a total scare.  
Life must be as it has always been.  
You're nailed to the old with a constant pin.

OPEN YOUR EYES OR IT'LL ALL BE GONE.  
SWITCH YOUR EARS TO POSITION &quot;ON&quot;.  
SO WHERE'S THE VISION YOU NEED SO BAD.  
THE BIG OL' DRIVE THAT YOU NEVER HAD.
