&lt;/lyrics&gt;

He is very naive and the type who sees his dreams.  
I wonder if he'll say I'm "the one".  
He's the one I love, I want to be the one he loves.  
But because I don't want to cheer up, I get tired.

He greatly relies on the type of job he loves.  
Someone who always waits for me.. that's the kind of person I'm wishing for.  
Even if that person is me, I want happiness..  
But the shape of love is always something different than promised.

If any of you are girls, you will understand,  
It's hard because you want to run away..  
But how can you? Here is where we'll try to become strong.  
If the line of passion is severed,  
We'll need the ability to understand.  
But we'll do our best.  
We'll succeed.

I'm not ordinary but there's something that is..  
You don't have bad intentions, I know that, but you can't keep your  
promises.

Right before my eyes, this vast world beckons me.  
The shape of love lacks something, it's somewhere

If you're a guy, such things are okay,  
When you don't think before you act, but regret it.  
But somehow, here is where you try your best to show off.  
Love and loneliness go hand-in-hand.  
Bring out your ability to understand more  
So you can see perfectly.  
We can be comfortable with each other.  
We'll surely do our best.
