

# Puffy AmiYumi, Hi Hi Puffy Ami Yumi Show Theme

(nori !)

It all started when we first met  
And strapped on our guitars

We made music so great and cool  
That soon we were rock stars

The biggest in Japan  
(son na koto nai !)

With tons of screaming fans  
(honma ookini )

We're out on tour around the world  
So come and join the band  
(Eins! Zwei! Drei!)
