

Puffy AmiYumi, Invisible Tomorrow

Kono omoi wa kawakanai
Togireru kotomo nai
Tomaranai nasakenai kedo
Kimi ni azukeyou

Dekoboko na jiyuu no michi
Omoidasu kanji
Nagai monogatari no yokan
Yakusoku wa sinai yakusoku

Kokoro ga kudakete
Tomorrow ga nijinde mienai demo

Mada shiranu mirai no michi
Tokini miekakure
Hadaka no boku ga me wo samasu
Arifureta hibi kowasite

Karada ga hanatare
Hikari ga hajikete toketa

Omoidouri na wake ga nai
Mogaite mitemo ah
Wakasa ga warui wakejanai
Yoru wa Speed agete kakete yuku

Kokoro ga kudakete
Tomorrow ga nijinde
Karada ga hanatare hikari ga hajikete

These thoughts of love don't dry out,
Don't get distracted
Don't stop, it's a little pathetic
But I'll leave it with you

It's a rough road to freedom
Bringing back the past
Feels like a long story starting
Promise not to promise

Heart coming apart
Can't see the blur of tomorrow

Unknown road
Sometimes hidden
Sometimes there
I woke up naked
My ordinary life stopped

Body lets go
Lights flipping and melting

Things won't go as you wish
No matter how much you squirm, no
Youth is alright
Speeding nights on the run

Heart broken, the blue of tomorrow
Body lets go, light flips
