

Puffy AmiYumi, Long Beach Nightmare

Anata no naka ni kono chiisana
Watashi wa nani wo nokoseru daro
Akai kurama buttobashite
Meippai fuzakete waratta
Long Beach made
Round and round

Anata ga iyana koto wa zenbu
Watashi ga kawatte ageru kara
Yutsuba no Clover ga
karerukoto naiyou ni
Isshoni arukou Round and round

Uh hiza wo kakaeru hiwa
Ah sukoshi amaete
hora Tondeku kara

Uh wakatte ageru kara
Ah subete hitoride mou
Seowanai youni ne

Ittai kore kara anata no nakani
Watashi wa nani wo nokoseru daro
Yotsuba no Clover ga
karerukoto naiyou ni
Isshoni arukou Round and round

Daijoubu dakara Round and round
Round and round

<lyrics>

What can I who is so small leave inside of you ?
The red car speeds up driving and laughing completely
To Long Beach round and round

I will do it all for you what you don't want to do
For not let 4 leaf clover run dry
Let's go together round and round

If you are feeling down, you can trust me
There I will fly right to you

I will understand you
It's not all on you anymore

What kind of thing can I leave inside of you ?
For not let 4 leaf clover run dry
Let's go together round and round

It will be all right round and round
round and round
