

# Puffy AmiYumi, Security Blanket

I have a box of precious things  
Things that can always make me sing  
Of the moon and stars and wind  
And you make everything

You are the one that makes me smile  
And makes my life seem so worthwhile  
You make me feel like a child  
And give me my own style

And if you ever call on me  
Security blanket I can be  
Keep from harm  
I'll wrap you in my arms

I just can't wait to see your face  
And feel the warmth of your embrace  
You can brighten up my day  
Make sadness melt away

And I get jealous now and then  
Everyone wants to be your friend  
But I try not to resent  
You're with me in the end

You are the one I treasure most  
When I'm with you I'm never lost  
I always want to have you close

And if you ever call on me  
Security blanket I can be  
Keep from harm  
Wrap you in my arms

Just like a rose will have its thorns  
Our sunny days will have their storms  
But then the sun will feel more warm

You are the one I treasure most  
When I'm with you I'm never lost  
I always want to have you close

And if you ever call on me  
Security blanket I can be  
Keep from harm  
Wrap you in my arms

No matter the hurdles life will throw at you  
I'll always be ready to help you get through
