

Puffy AmiYumi, Sign of Love

Yawa na haato ga shibireru
Kokochi yoi hari no shigeki
Wake mo nai no ni kagayaku
Sore dake ga ai no shirushi
Itsuka anata ni wa
Subete uchiakeyou
Sukoshi tsuyoku naru tame ni
Kowareta booto de hitori koide yuku
Yume no naka de mo wakaru
Mekurumeku yoru no fushigi
Tada no omoide to
Kaze ga sasayaitemo
Ureshinaki no takaramono
Nan demo arisou na kuni de
Tada hitotsu
Yawa na haato ga shibireru
Kokochi yoi hari no shigeki
Wake mo nai no ni kagayaku
Sore dake ga ai no shirushi
Sore dake de ai no shirushi

A soft heart goes numb
Comfortable stimulus of the needs
It shines without reason
That's the only sign of love
Some day, I will open my mind to you
In order to become a little stronger
I row a broken boat alone
I can tell even in my dreams about the dazzling mysterious night
It's just a memory
Even if the wind whispers
The treasure cry for joy
Only one in the country that seems to have it all
A soft heart goes numb
Comfortable stimulus of the needs
It shines without reason
That's the only sign of love
That's sufficient as a sign of love
