

# Puffy AmiYumi, Wild Girls On Circuit

Waratte waratte waratte  
Damatte sasotte ashiratte  
Sumairu sumairu sumairu  
Shibireru akireru sutairu

Sa-kittode no haritsumeteru kuoki wo  
Odayagani suru no ga watashi no yorokobi

Nezumi ironi kagayaku asufuaruto ga  
Otokotachi no tatakai wo matteiru  
Dare yori hayaku kaettekite ne  
Watashi no tokoro e onegai

Sa-kitto ni wa mamono ga sumukara  
Otonashiku saseru no wa  
Watashi no miryoku de

Daijina mashin ga kowarenai youni  
Koronde hone ottarishinai youni  
Asette ensuto kokanaide ne  
Watashi ga tsuiteru wa

Nezumi ironi kagayaku asufuaruto ga  
Otokotachi no tatakai wo matteiru  
Dare yori hayaku kaettekite ne  
Watashi no tokoro e onegai

Laughing, laughing and laughing  
Silently tempting and treated like no-one  
Smiling, smiling and smiling  
A style that gets you numbed and disgusted  
The strained air at the circuit  
It's my pleasure to push it down  
The asphalt that sparkles gray  
Is waiting for the fighting guy  
Come back to me before anyone else does, please  
As the demon lives in the circuit  
My charm calms it down  
Wishing the precious machine doesn't break  
Wishing he doesn't break his bones falling down  
Please don't stall 'cause I'm with you  
The asphalt that sparkles gray  
Is waiting for the fighting guy  
Come back to me before anyone else does, please
