

Pug Jelly, Tom's Leaving

So you're leaving...On the next plane,
I don't know when i'll see you again...

Broken hearted til the next time,
I see you at a show of ours my friend!

10 thousand miles goes so fast when you're drunk,
From all the booze on the 'In Flight'!
So kick your shoes off, sit back enjoy the ride,
While listening to some LeAnn Rimes
