

Pulp, All Time High

All I wanted was a sweet distraction for an hour or two
I never intended to do the things we've done
Funny how it always goes in love
When you don't look, you find
But then we're two of a kind, we move as one

We're an all time high
We'll change all that's gone before
Doing so much more than just falling in love
On an all time high
We'll take on the world and wait
So hold on tight, let the flight begin

I don't want to waste a waking moment
I don't want to sleep
'Cause I'm in so strong and so deep, and so are you
In my time I've said these words before, but now I realize
Oh, my heart was telling me lies, but with you they're all true

On an all time high
We'll change all that's gone before
Doing so much more than just falling in love
On an all time high
Yeah, we'll take on the world, oh we will
So hold on tight and let the flight begin

Yeah, hold on tight, let the flight begin
Just hold on tight, let this flight begin
We're an all time high
