

# Pulp, I Love Life

Here comes your bedtime story: Mum & Dad have sentenced you to life.  
Don't think twice; it's the only reason I'm alive.  
I feel alright as long as I don't forget to breathe.  
Breathe in, breathe in, breathe out.  
Look at all these buildings & houses  
I love my life. I love my life.  
Hey now, slow down a minute.  
Take my arms & fill them full of life.  
Don't think twice.  
Does it ease the pain of being alive?  
Or is it why - why you keep nodding out on me?  
Breathe in, breathe in, breathe out.  
Another day, another major disaster  
I love my life. I love my life.  
You got a problem.  
I lost my keys when I stayed at your place.  
On the floor of your living room, you made the scene but it'll never get shown on TV.  
So tonight prepare to kiss goodbye to my lovelife.  
So get this right- I love my life; it's the only reason I'm alive.  
It's mine, all mine - as long as I don't forget to breathe.  
Breathe in, breathe in, breathe out.  
Corny I know, but you had better believe it  
I love my life. I love my life. I love my life. God, how I love my life.  
That's right: you've got to fight to the death for the right to live your life.  
Alright: I'm gonna fight to the death 'til they give me back my life.  
That's right: you're in the land of the living but there's so few signs of life.  
Alright.  
Breathe in. Breathe out. Breathe out.
