Pulp, Is This House?

You're just a little girl (with blue eyes) Everybody looks at you (well, it's your day) and you're stepping from the black car but you'll be getting back in soon (and on your way) Little girl (with blue eyes) there's a hole in your heart and one between your legs You've never had to wonder which one he's going to fill in spite of what he said You'll never get away hev you'll give it up one day come what may Dad's not got a shot-gun but his look's enough to murder you (see what you've done) and forget about the paintings cos you'd better get the washing done (oh something's wrong) Little girl (with blue eyes) there's a hole in your heart and one between your legs You've never had to wonder which one he's going to fill in spite of what he said You'll never get away hey you'll give it up one day come what may Face down on the pavement chalk lines round your little hands (hit and run) and now a mother sits in silence in a darkness she can't understand (where you've gone) Oh Little girl (with blue eyes) there's a hole in your heart and one between your legs You've never had to wonder which one he's going to fill in spite of what he said You'll never get away hey you'll give it up one day

come what may.
