

# Pulse Legion, Faith In Sin

Faith In Sin

Its not the weak who dies  
WHAT is left to tear away life  
Its not the faith in sin  
Who is left decayed and wasted

I lie awake in this fading hole  
Rest in pain  
Once more i know  
I take all the waste away  
Waiting for the rest to take me

Wait in me  
Try to see  
Breathe against me  
Believe in me

Waiting in you  
No ones deception  
Not even the truth  
Drown in a lie  
The rest will they die  
Its not the faith in sin i know

Waste away  
In this one way fight  
Nothing can take the hurt away  
What begins in sin  
In this...

Weaker mind...

Waiting in you  
No ones deception  
Not even the Truth  
Drown in a lie  
The rest will die  
Its not the faith in sin i know

Waste away..
