

Pulse Legion, Torn Within

Torn Within

Come to me
You can see the hall within
Close your eyes
Turn your back
Walk away
Run from me
You cant save me from my hell
Pretend to care
Is my need too much to bear?

Never look into my eyes

Close your eyes
Feed me anger with your silence
Always hide
Never look into my eyes

Close your eyes
Feed me anger with your silence
Always hide
Never look into my eyes

You can see the hall within
Close your eyes
You can see the hall within
Close your eyes
You cant save me from my hell
Close your eyes
You can see the hall within
Close your eyes

Turn your back
