

Pumpkinhead, The Best

(Pumpkinhead)

This is a Crazy Legs backspin
This is comin home drunk from a club, to a back massage and aspirin
This is Michael Jackson, when he had black skin
Singin "ABC" with his brothers, in Quincy Jones mansion
This is the best thing since grandma's peach cobbler
This is the high you get when you first smoke on some ganja
This is the Cosby Show, when every dude wanted to be Theo
I had a crush on Denise and Sandra
This is my girl, for wantin to be my wife
This is track one on Stevie Wonder's "Songs in the Key of Life";
This is the first time you heard Lauryn Hill
This is the feeling you get when your girl decides not to take that morning after pill
This is the best of the best feelings in your chest
This is J-Lo's breasts, in that green dress
This is the first time I made out
This is throwin out all my Gobots when the Transformers came out
The best

(Chorus: various samples scratched)

"Damn right I like the life I live" - B.I.G.
"I know a FEW understand what I'm talkin about" - Mos Def
"Damn right I like the life I live" - B.I.G.
"I reminisce" - CL Smooth, "It's all good" - B.I.G.
"Damn right I like the life I live" - B.I.G.

This is the best, the best feeling you ever had
Like 23 years later finally meeting your dad
This is that Sunday walk in the park, with a new shorty
lookin for a spot to spark
This is a drive on the I-95, in a 65 Chevy
colored red apple candy, doin 80 to Miami
Understand me? This is that first sip of brandy
at your uncle's wedding when you were young, bet that shit had you feelin manly
This is sex, with a girl from out of town
who broke up with her man that looked better than you but she was on the rebound
This is Mike Tyson's Punch-Out outrunnin Pac-Man
This is Sourpatch Kids, Lemonheads and Cherry Chans
This is that senior trip to the dude ranch
This is growin your first plant under that ultraviolet lamp
This is makin your first grand off a couple of grams
This is San Juan Beach when you first set foot on the sand
The best

(Chorus)
