

# Punch, Fallin', Lady

To be free.... no longer me  
To be loose... I got no chance what's the use  
To be free again cannot be  
Because you're comin' here to follow me

You'd be fallin', lady on my mind  
You'd be fallin', lady on my mind

To be true is all I ask of you  
To be kind, around me all the time  
To be true every day (every day)  
And I'll follow you by the way

You'd be fallin', lady on my mind  
You'd be fallin', lady on my mind

Yeah, she will be mine tomorrow  
Yeah, I will be tied to your sorrow  
To your sorrow

You'd be fallin' lady on my mind

To be free.... no longer me  
To be loose... I got no chance what's the use  
To be free again cannot be  
Because you're comin' here to follow me

You'd be fallin', lady on my mind  
You'd be fallin', lady on my mind  
You'd be fallin', lady on my mind  
(one more time now)  
You'd be fallin', lady on my mind

To be free.... no longer me  
To be loose... I got no chance what's the use

To be free.... no longer me  
To be loose... I got no chance what's the use
