

Punchline, Changing Lanes

If you could be anyone,
Who would you be now?
I'm asking you to please think of an answer
and you can't say yourself oh yeahh

You won't find me, or recognize me
I'm gonna forge a new name
The past is behind me, please don't remind me
have you ever tried to make a new face by changing lanes?

If you could be anyone,
Who would you be now?
I'm asking you to please think of an answer
and you can't say yourself oh yeahh
If you could be anyonee, oh yeah (x2)

Oh oh Oh

This place is common, I'm here too often
I think I need a change of pace
This isn't the way it's supposed to be
Short-circuit, Rewind, erase it completely
Someone help me, someone save me
Someone make me feel at home

If you could be anyone,
Who would you be now?
I'm asking you to please think of an answer
and you can't say yourself oh yeahh
If you could be anyonee, oh yeah (x2)

Now I know where to go
And now I know where to go
And now I know where to go
And now I yeah know where to go
And now I yeah know where to go
And now I yeah know what you're thinking
(Now I.. yeah) (know where to go..) (x2)

If you could be anyone,
Who would you be now?
I'm asking you to please answer the question
Whoaa Get me directions yeah
If you could be anyone, oh yeah (x2)

Changing lanes (repeat)

Chalk it up another song for leaving
Add it to a mixtape of reasons
Go or stay, I won't stay the same,
Change my face and rewrite my name

If you could be anyone,
Who would you be now?
I'm asking you to please think of an answer
and you can't say yourself oh yeahh
If you could be anyonee, oh yeah (x2)
