

# Punchline, Exactly

I am awake  
Finally unafraid  
My dues are paid  
Gone are the days I displayed

No rhyme because good times could go too quickly  
No reason pleased only by love  
No understanding of this human species  
But where I was  
Begged a why with no because

And Im exactly what I used to be afraid Id become  
And Im exactly where I used to be afraid Id belong

I feel like I reflect as if Ive entered yesteryear  
When just yesterday I appeared to be  
Somebody with no fears  
Of ever growing up  
I loved being stuck  
Sometimes I wish I was there

Life's not over  
Its finally mine to own  
My fears of the fall are gone  
I had no idea  
Still just me now  
Anticipation of the worst was simply wrong  
And I belong
