

Punchline, Lemon Pez Love

If I could only have one food for the rest of my life?
That's easy! Pez!

When I see you I tend to freeze up
No matter what I say I never have any luck
And I try to talk to you but it's too extreme
No matter what I say you keep yourself discreet

Why won't you give me a chance? I will shelter you
Than I would treat you, but you know that I would do
Whatever I takes to, still keep you happy and
What I know how to do is love you..

As much as I can, As much as I can
As much as I can, As much as I can

The other day you came home to talk to me
I was a bit surprised and so happy
And I don't know what you said but I gave you some loving than
I think..... It's gonna work out.....No! It can't

Why won't you give me a chance I would shout to you
Than I would treat you, you know that I would do
And then I'd right hand you, to keep you happy
And all that I wanna do is love you...

As much as I can, As much as I can
As much as I can, As much as I can
