I hate the way you walk, I hate the way you speak  
Your sight makes me sick and you act very weak

You look like a dumb, like a head full of shit  
The only way I can act is to smash you and hit

You're not only arrogant, also f\*\*king ignorant  
Your head is so big like my erected dick  
You think you look cool you dumb little fool  
You dress very hard like a boring old fart

Your hassle is now enough  
You'll get what you need  
First a kick in your mouth  
And a hammerpunch till you bleed

I'll put my fingers in your eyes  
I'll smash my fist on your chest  
I'll piss on your big head  
So now what do you think, who's the best?

Now I rule over you - You know that I'm better than you  
So shut up and kiss my feet is the only thing you're allowed to do
