

# Punjabi Mc, Lose Urself Vs Mundian

If you had one shot, and one opportunity  
To seize everything you ever wanted  
One moment  
Would you capture it or just let it slip?

Nimya tu kuch der pa ke rakh le(3)  
pale vitch mukhra luiska ke railook

Aave kari na kise de naal pyar (1)

Mundiya to bach ke rahi  
Nahi tu hun hun hui mutiyar (2)  
Mundiya to bach ke rahi (1)

Nimya tu kuch der pa ke rakh le  
pale vitch mukhra luiska ke railook

If u had one shot, one opportunity  
To seize everything u wanted  
One moment  
Would u capture it or just let it slip?  
The clock's run out, time's up over, bloah!  
Snap back to reality, Oh there goes gravity  
Oh, there goes Rabbit, he choked  
He's so mad, but he won't give up that easy

He's so mad, but he won't give up that easy  
Is he? No  
He won't have it; he knows his whole back city's ropes  
It don't matter, he's dope  
He knows that, but he's broke  
He's so stacked that he knows  
When he goes back to his mobile home, that's when it's  
Back to the lab again yo  
This whole rap shit  
He better go capture this moment and hope it don't pass him

Chorus X2

You better lose yourself in the music, the moment  
You own it, you better never let it go  
You only get one shot, do not miss your chance to blow  
This opportunity comes once in a lifetime yo

The soul's escaping, through this hole that it's gaping  
This world is mine for the taking  
Make me king, as we move toward a, new world order  
A normal life is borin, but superstardom's close to post mortar  
It only grows harder, only grows hotter  
He blows its all over, these hoes is all on him  
Coast to coast shows, he's know as the globetrotter  
Lonely roads, God only knows  
He's grown farther from home, he's no father  
He goes home and barely knows his own daughter  
But hold your nose cuz here goes the cold water  
These ho's don't want him no mo, he's cold product  
They moved on to the next schmoe who flows  
He nose dove and sold nada  
So the soap opera is told and unfolds  
I suppose it's old potna, but the beat goes on  
Da da dum da dum da da

Chorus X2
