

# Punk5, Every Little Step(Ft. Brandon From Jump5

OoooOOOOOOOOOH OH YEAH YEAH

BRANDON: WOOO!

Every little...  
Every little step I take...  
Every little...  
Every little step I take...

I can't sleep at night  
I toss and turn  
Listen for the telephone  
When I get your call  
I'm all choked up  
Can't believe you called my home  
And as a matter of fact  
It blows my mind

You would even talk to me  
Because a boy like you  
Is like a dream come true,  
A real life fantasy

BRANDON:

No matter what your friends try to tell you  
We were meant to fall in love  
And we will be together  
Any kind of weather  
It's like that, it's like that

Every little step I take  
You will be there  
Every little step I make  
We'll be together  
Every little step I take  
You will be there  
Every little step I make  
We'll be together

I can't sleep at night  
I toss and turn  
Listen for the telephone  
When I get your call  
I'm all choked up  
Can't believe you called my home  
And as a matter of fact  
It blows my mind

You would even talk to me  
Because a boy like you  
Is like a dream come true,  
A real life fantasy...

And we will be together

Every little step I make

Every little step I take
