buzz me up to heaven, baby

(CHORUS)

i been missin u  
I should be kissin u  
honey to the bee, thats u for me  
i wouldn't tell a lie, got a love I can't deny  
honey to the bee, thats u for me  
honey to the bee, thats u for me  
honey to the bee

i close my eyes and i see u clear  
it feels like ur lyin' here (na na na)  
all the things i wanna say come and go  
easy as the breeze, those words just flow  
i float on air, light as any feather  
ur love, so sweet, like an open flower  
and im dizzy from the time we spent together  
i need that honey drip every hour

im thinkin about ur sugar lips  
got a feeling for u now thats so strong  
im dreamin of the candy in ur finger tips  
baby, don't stay away from me too long

CHORUS

mmm(oh), mmm(oh), mmm(oh)  
buzz me up to heaven, baby  
mmm(oh), mmm(uh, alright), mmm  
come on, buzz me up to heaven

u make me smile, tho ur far away  
i hear ur voice like it was yesterday(nanana)  
all the things u do, they make me feel so fine  
i gotta tell the world about a love thats mine  
these wings, to fly, are gonna last forever  
cause, one by one, my dreams come true  
and i touch the sky whenever we're together  
i can't believe the joy i get with u

im thinkin about ur sugar lips  
got a feeling for u now thats so strong  
im dreamin of the candy in ur finger tips  
baby, don't stay away from me too long

CHORUS(2x)

(heaven)you're the only one that can get me there  
(heaven)when u gonna hear my prayer?  
(heaven)you're the only one that can get me there  
(heaven)when u gonna hear my prayer?

im thinkin about ur sugar lips  
got a feeling for u now thats so strong  
im dreamin of the candy in ur finger tips  
baby, don't stay away from me too long

CHORUS

mmm(oh), mmm(oh), mmm(oh)

buzz me up to heaven, baby  
mmm(oh), mmm, mmm
