Let Me Love You Tonight

Tonight

I know in my heart I want to be with you  
Let me love you tonight

How can I make you want me?  
How can I make it for real?  
I wanna love you forever  
I hope that you feel the same

I'd give everything for you  
To make you wanna stay  
I'll give everything I have  
I love you more than I can say

Let me love you tonight  
And I'll make you feel alright  
I know in my heart I want to be with you

Oh, baby, let me love you tonight  
And I'll make you feel alright  
In a million years I won't be over you  
Let me love you tonight

I know you don't want to  
Be without my love  
And if you're gonna kiss me  
You know that you'll have to stay

I'd give everything for you  
To make you want to stay  
I'll give everything I have  
I love you more than I can say

Let me love you tonight  
And I'll make you feel alright  
I know in my heart I want to be with you

Oh, baby, let me love you tonight  
And I'll make you feel alright  
In a million years I won't be over you

Let me love you tonight  
Let me love you tonight  
Let me love you tonight

In the night I see your face  
But only in my dreams  
Let me be the one to hold your hand  
And make you understand

Oh let me love you  
I want to make you feel alright  
Yes I know in my heart I want to be with you

Oh baby let me love you

Let me love you tonight  
And I'll make you feel alright  
I know in my heart I want to be with you

Let me love you tonight  
And I'll make you feel alright

In a million years I won't be over you

Let me love you tonight  
Let me love you tonight
