

# Puretone, Totally Addicted To Bass

Your bass line has got me feeling fine  
It's filling up my mind

I've got two pale hands up against the window pane  
I'm shaking with the heat of my need again  
Starts in my feet, reverbs up to my brain  
There's nothing I can do to revert the gain  
I'm looking down to the street below  
There's nothing in the way they move to show  
They too know what I know,  
They too hunger for the beast below

Listening to the radio I feel so out of place  
There's a certain something missing that the treble can't erase  
I know you can tell just by looking at my face  
A word about my weakness  
I'm totally addicted to bass  
a-waowa-ow...  
...a-waowa-ow

There's nothing I can do to be cool  
I don't sleep till I've had my fuel  
It frustrates if I'm deprived  
A hunger that grates from deep inside  
Feel like I'm doing time  
Imprisoned by dependence on a rhythm sublime  
In my mind I must overcome the need to define  
Solitary silence of a faceless crime

Standing by the stereo I'm feeling so alone  
With my back against the speaker and I'm moving on my own  
Surrounded by so many and they're staring at my face  
They're picking up my problem  
I'm totally addicted to bass  
a-waowa-ow...  
...a-waowa-ow

Your bass line is shooting up my spine  
a-waowa-ow  
Your bass line has got me feeling fine  
It's filling up my mind

Summer's at my window, I look down on the street  
People I see everywhere are tapping their feet  
Suddenly I realise in that look that I was wrong  
Everybody's grooving to their own song

Down at the scene below  
There's something in the way they move to show  
They too know what I know  
They too hunger for the beast below

Rhythm's running over me to wash away my fears  
The back beat of humanity it sweetens my tears  
There's something that's connected us down throughout the years  
There's no need to feel so lonely  
Everyone's addicted to bass  
a-waowa-ow

(a-waowa-ow)

Your bass line is shooting up my spine  
(Your bass line)  
Your bass line has got me feeling fine

It's filling up my mind
