

# Purple Disco Machine, Sophie and the Giants, In

I got lost In the wilderness  
I thought I was surely falling apart  
The pain you caused  
Cut so deep  
Truly was a work of art

I don't care what they say  
I'm gunna do it anyway  
Ohh ohh  
It's the only thing I see  
Always staring back at me  
Ohh

I've been left in the dark  
Standing cold in the night  
Memories of your taste  
I've been holding on tight  
Falling apart  
And I'm living a lie  
All of this time  
I've been loving a liar

Pulled me in with your words so sweet  
Every time I ignore the sign  
Redemptions mine on the day I leave  
Falling for you was my only crime

I don't care what they say  
I'm gunna do it anyway  
Ohh ohh  
It's the only thing I see  
Always staring back at me  
Ohh

I've been left in the dark  
Standing cold in the night  
Memories of your taste  
I've been holding on tight  
Falling apart

And I'm living a lie  
All of this time  
I've been loving a liar

Ooh

Am I going under  
Ooh  
Should my heart surrender

I've been left in the dark  
Standing cold in the night  
Memories of your taste  
I've been holding on tight

Falling apart  
And I'm living a lie  
All of this time  
I've been loving a liar

Ooh

Am I going under

Ooh

Should my heart surrender
