

Puscifer, Drunk With Power (Version 2)

Pimpin' like I'm campin'
Born in fifty with a forty
Whatcha 20 honey, papa's all alone
empty hizzy
Left me dizzy
I'm a pirate lost his booty
I'm a pimp without a dog without a bone

Where all my honey gone?
Pooh bear be cryin'
Some oreo-cracker song
Wigger be tryin to get his queen to come on home

So pardon all the cheesy wigger
Pimp is feelin' crazy
Daisy dukes
My kryptonite, Im fumblin'
My pimpin' hand gone limp
And I'm a trippin' plain and simple
All the po po's, wolves and dogs are Closing in

Where all my honey gone?
Pooh bear be cryin'
Some oreo-cracker song
Wigger be tryin to get his queen to come on home

Now I know I ain't no player
Heavy hitter, roller, spitter
Those legit can go ahead and get along
('cause mos def)
Now I ain't no cracka' quitta
Gonna do my best to get 'er back to daddy,
Honey bring your sweet ass home

Where all my honey gone?
Pooh bear be cryin'
Some oreo-cracker song
Wigger be tryin to get his queen to come on home

Where all my honey gone?
Pooh bear be cryin'
Some oreo-cracker song
Wigger be tryin to get his queen to come on home

Where all my honey gone?
Pooh bear be cryin'
Some oreo-cracker song
Wigger be tryin to get his queen to come on home
