

# Push Play, Time to Shine

Monday, roll out of bed  
OK, 'cause I'm feeling dead  
I need a break  
Let's ditch school and party all day  
Call in sick 'cause we're going all the way  
Are you ready?

[Chorus:]

Now is our time to shine  
And have a good time  
We're doing fine  
We all need a break  
Work will have to wait  
For another day  
Today, is really great  
I can't wait to tell all my friends  
Everyone must know  
The sun's blaring, music is blasting  
I wish this day was everlasting  
I can't wait to do it all again

[Chorus]

I need a break  
Work will have to wait for another day  
Our time to shine  
and have a good time we're doing fine  
We need a break, we need a break  
Our time to shine, our time to shine
