

Pushmonkey, Chemical Skin

So what you mean you got an
itch to scratch with all your chemical skin
so bad you stick me to the wall and make my se-saw
berserk you like Venus to the miles of what
my mosey can take
I'm a kid with a gun and I'm loaded with hate
so kick kick me in the face and I'll be OK.
I don't give a fuck about your something to say
Now you're breaking me bad
Now you're breaking me bad
Now you're breaking me bad
and I'll fix it today

Look at my skin I've been dead for days
Everybody hates
I feel like bleeding from my skin today
I can't wait I can't wait I can't wait

Don't don't you break me
I can't resist your chemical skin
Come dominate me
I can't resist your chemical skin

I don't know I don't know I don't know
remember math to talk about your chemical skin
so good you got to get some more
before your needle goes in
you like sex in a hole rolls to the fake
I'm up in my gun and I'm ready to make so
kick kick me in the face and I'll be OK.
I don't give a fuck about your something to say
Now you're breaking me bad
Now you're breaking me bad
Now you're breaking me bad
and I'll fix it today

Look at my skin I've been dead for days
Everybody hates
I feel like bleeding from my skin today
I can't wait I can't wait I can't wait

Don't don't you break me
I can't resist your chemical skin
Come dominate me
I can't resist your chemical skin

Look at my skin I've been dead for days
