

# Pushmonkey, (This Song Is About) Myself

Take your time, but hurry up  
You know youe fine, but youe all messed up  
You may be right, but you don care  
cause youe always wrong in your underwear

Youe kinda Johnny Lennon

Sadder than, than when you started

This Song is about myself, but I ain a hero  
This Song is about myself, but I ain a hero  
You play for keeps cause it all you know  
This song is about myself and now I letting go

Save your breath cause youe only talking about  
yourself in those silly words  
you look like me but you just don see  
how the vultures pick and you might get burned

youe kinda Charlie Manson  
youe kinda Sharon Tate  
youe kinda Jeffrey Buckley  
youe kinda Stevie Ray  
Youe sadder than, than when you started

This Song is about myself, but I ain a hero  
This Song is about myself, but I ain a hero  
You play for keeps cause it all you know  
This song is about myself and now I letting go

youe kinda Johnny Lennon  
youe kinda Betty Page  
youe kinda Curtis Cobain
