

Pussy Riot, Straight Outta Vagina (feat. Desi Mo & Leikeli47)

If your vagina is a brand
Let your vagina start a band
If your vagina lands in prison
Then the whole world's going to listen

My vagina is tough and dangerous
Shaking up the major labels
Vagina's gonna take the stage
Coz vagina has a lot to say

Don't play stupid, don't play dumb,
Vagina's where you're really from.
We from, we from
Vagina we from
/2x

Vagina is going to win the race
Vagina is going to play in space
Vagina is going to take the checks
Vagina ... your shopping cards
Vagina is in at museum
And people buying tickets just to see it
Put your pussy on a diet
Then paparazzi gonna start a riot

Don't play stupid, don't play dumb,
Vagina's where you're really from.
We from, we from
Vagina we from
