

Pussycat, Between

Yeah yeah
Yeah yeah yeah yeah yeah

Comin' through
This is what i do for makin' me real
Dancin' group
Stares at me I wonder who does feel

positively
takes over me
never known what comes in history
I see
What I feel, what I see, what I'll be

Fallin' here
I cry I try I fly
Empty fear
That's what I will feel when you stare
Don't care
What I wear
yeah
