

# Pussycat Dolls, Hush Hush

Ooooooh oooooh

I never needed you to be strong

I never needed you for pointin' out my wrongs

i never needed pain,i never needed strain.

My love for you was strong enough you should've known.

I never needed you for judgement

I never needed you to question what i spent

I never asked for help, I take care of myself, I don't know why you think you got a hold on me.

And it's a little in the conversations

There isn't anything that you can say.

And my eyes hurt, hands shiver, so look at me and listen to me because,

I don't want to

Stay another minute

I don't want you

To say a single word

Hush Hush, Hush Hush

There is no other way

I get the final say

Because

I don't want to

Do this any longer

I don't want you

There's nothing left to say

Hush Hush, Hush Hush

I've already spoken

Our love is broken

Baby Hush Hush

I never needed your corrections

On everything from how i act to what i say

i never needed words, i never needed hurt, i never needed you to be there everyday

I'm sorry for the way i let go

Of everything i wanted when you came along

But i am never beaten, broken, not defeated

I know next to you is not where i belong

And it's a little late for explanations

There isn't anything that you can do

And my eyes hurt, hands shiver, so you will listen when i say baby

I don't want to

Stay another minute

I don't want you

To say a single word

Hush Hush, Hush Hush

There is no other way

I get the final say

Because

I don't want to

Do this any longer

I don't want you

There's nothing left to say

Hush Hush, Hush Hush

I've already spoken

Our love is broken

Baby Hush Hush

No more words

No more lies

No more crying ooh ooh

No more pain  
No more hurt  
No more tryin' Oh Oh Yeah  
Because

I don't want to  
Stay another minute  
I don't want you  
To say a single word  
Hush Hush, Hush Hush  
There is no other way  
I get the final say  
Because  
I don't want to  
Do this any longer  
I don't want you  
There's nothing left to say  
Hush Hush, Hush Hush  
I've already spoken  
Our love is broken  
Baby Hush Hush

Yeah Oh  
Hush Hush, Hush Hush  
I've already spoken  
Our love is broken  
Baby
