

# Pyogenesis, As You Wish

[Music & Lyrics: Flo V. Schwarz]

Is this destiny  
how you come up to me  
Cause I love you, need you  
and you just treat me bad  
I can't leave you I'm addicted  
no I can't  
As you wish  
As you wish I comply selfless  
Meekly I listen as you wish  
As you wish  
Your brave soldier, me  
Does what you want of him  
Cause I love you, need you  
and you just treat me bad  
I can't leave you I'm addicted  
no I can't  
As you wish  
As you wish I comply selfless  
Meekly I listen as you wish  
As you wish
