

# Pyogenesis, My Saline Eyes

[Music: Flo V. Schwarz, T. Eiermann & W. Maier / Lyrics: T. Eiermann]

So much to say, so much would last for years  
May be an answer could dry my mourning tears  
Do you feel lost a million miles from home?  
Do you have a place to go? Any peaceful place to go?

[PreCH.:]

Yeah, I remember you I always do  
Too sweet to let you go  
Can't hide my feelings, no  
These words I wrote, I wrote for you  
This song goes out to you

[CH.:]

Could you dry my saline eyes  
Hopeful tears of care  
I know - sometime we'll meet again  
In Paradise, I swear

So hard to understand these doubtful ways of God  
Where's the answer to the question  
I've never known Who answers me? And whom should I  
believe?  
Do we have a place to stay? Any peaceful place to stay?

[PreCH.:]

Yeah, I remember you I always do  
Too sweet to let you go  
Can't hide my feelings, no  
These words I wrote, I wrote for you  
This song goes out to you

[CH.:]

Could you dry my saline eyes  
Hopeful tears of care  
I know - sometime we'll meet again  
In Paradise, I swear
