

# Pyogenesis, Rhapsody In E

[Music: Flo V. Schwarz / Lyrics: Flo V. Schwarz]

Starring at the seas of time,  
I see some memories in my mind  
Waiting for the call to leave  
this happiness, this happiness all day

Disgust me, distrust me  
My own rhapsodie in E  
Believe me, decease me  
My own rhapsodie in E

Hide myself so crude in dope  
Got no more help got no more hope  
Final kick smashed me away  
Now I'm tied up - got something old to pay

Disgust me, distrust me  
My own rhapsodie in E  
Believe me, decease me  
My own rhapsodie in E
