

# Pyogenesis, The Pain Of Heartache

(Music & Lyrics: Flo V. Schwarz)

You don't have  
many good feelings left for me  
So hard I'm trying  
to convince you to give us time  
You say you don't  
love me the way a lover should  
And in the end I  
even tried harder than I could  
Pain of a heartache  
Pain of a heartache  
Pain of a heartache "We may stay friends"  
That's not enough as you might guess  
I can't continue  
without your hugs without your kiss  
I feel ashamed  
So many things I'd change I would  
And in the end I  
even tried harder than I could  
Pain of a heartache  
Pain of a heartache  
Pain of a heartache
