Pyrex Pryce, Busy Body

Baby don't trip drop your shoes at the door,
I know you a freak by the look at your body,
Nah u can't cuff you a real busy body,
And I know you won't tell nobody about it,
You don't even need to trip over me,
You can take you a look and just tell that I'm solid,
Fuck all your friends baby keep em from round me, I said fuck all your friends baby keep them from
Time and time again I told her we're friends and nah it ain't nothing about it,
Lying and lying again,
She told me she gave me her heard but I already got it,
Fresh offa you and I'm already plotting,
Fresh offa me and you already sobbing,
Fuck all your friends baby keep them from round me,
Said fuck all your friends baby keep em from round me,

Yea, 22, and she fresh out of college, the type I can call on at three in the morning and won't tell no
Don't play with shawty she fragile she never ever had nobody around her, fuck all your friends I sai
I said fuck all your friends baby keep them from round me,

Time and time again I told her we're friends and nah it ain't nothing about it,
Lying and lying again,
She told me she gave me her heard but I already got it,
Fresh offa you and I'm already plotting,
Fresh offa me and you already sobbing,
Fuck all your friends baby keep them from round me,
Said fuck all your friends baby keep em from round me,

Baby don't trip drop your shoes at the door,
I know you a freak by the look at your body,
Nah u can't cuff you a real busy body,
And I know you won't tell nobody about it,
You don't even need to trip over me,
You can take you a look and just tell that I'm solid,
Fuck all your friends baby keep em from round me, I said fuck all your friends baby keep them from
Time and time again I told her we're friends and nah it ain't nothing about it,
Lying and lying again,
She told me she gave me her heard but I already got it,
Fresh offa you and I'm already plotting,
Fresh offa me and you already sobbing,
Fuck all your friends baby keep them from round me,
Said fuck all your friends baby keep em from round me
