Q5, Lonely Lady

This is the challenge of a lifetime - lifetime I saw her standing in the cold - twilight She's never been in love She always gave it all away Lonely lady, lonely lady, Lady on my mind This is no ordinary love affair - love affair Her memories she tries to hide - inside of her She's never been in love She always gave it all away Lonely lady, lonely lady, Lady on my mind I give her everything and all my love - all my love This is a perfect chance to show - all of them She's never been in love She always gave it all away Lonely lady, lonely lady, Lady on my mind
