

# Quantum Jump, Blue Mountain

Blue mountain  
Aloo ha green sea  
Dream on the waves  
Lost and found me  
Ooooh wild pepper sands reach the sky  
When the sea catches young eyes  
Stay by blue mountain with me  
Starlight rain  
Moonwish wind  
Warmer walking  
Water friends  
Child of light  
Swim the sea  
So you missed winter  
Far away  
Miles and more  
Vanished days  
On honey shore  
Scarlet skies  
Fading light  
Mercy sails that  
Meet the night
