

Quasi, In The First Place

I used to think love was real,
But it's just the way you feel at the moment
When it's gone it's like you never existed
In the first place.

I used to think you were mine,
Mistaken all the time we were together.
Now you're gone it's like we never existed
In the first place.

Too much of this,
Not enough of that
New gets old fast & you search for
Something new again.

I used to think I was real,
But now it's no big deal, it doesn't matter.
When I'm gone it's like I never existed
In the first place
