## Quasi, The Poisoned Well

" You only hurt the one you love. " That may be true, but better said: " You only hurt the one who loves you. " We went through hell just to get to hell - Die of thirst or drink up from the poisoned well. If I kept things inside, at least I never lied. I'm not trying to document my suicide. You won't live long, but you may write the perfect song; Please excuse those who choose to not play along.
