

# Quavo, Shooters Inside My Crib

I was patient, now my ice cold, glacier (Yeah)  
I was trappin' out the vacant 'til I got some paper (Yeah)  
I was lookin' for the smoke and then I got some straightenin' (Ooh)  
I was out there chasin' dreams 'cause they thought I couldn't make it (Yeah)

I dreamed that I'ma be big, while I'm putting bullets inside my SIG, ooh-ooh-ooh-ooh (Ooh-ooh-ooh)  
Momma said, "Don't make no sense", 'cause I got shooters in all my cribs, ooh-ooh-ooh-ooh (Ooh-  
It's kinda hard to be a young nigga when you gotta watch the way that you live, ooh-ooh (Ooh-ooh)  
It's never too hard to keep it real

Made 'em train to kill if he caught a body, he signed a deal  
Don't talk about it, nobody squeal  
Upgrade the watches from stainless steel  
If you woke up in the morning and got you a million, just tell me just how would you feel?  
Gave my niggas some points, some extra percentage, just look at the way they live
