

Quavo, Strub Tha Ground (feat. Yung Miami)

Strub tha ground (strub tha ground) x8
Pop it, don't stop it
Shake that ass, strub tha ground
I didn't bring my wallet
I'm a deal, strub tha ground
Took it to the top
I say swoop, strub tha ground
She put on them 40 inches
I say woo, and strub tha ground

(Quavo Verse)

Ever sit in a Lamb
Ever been on the stage or the supersonic screen
Look up baby, touch the ground
Pick up baby, that shit green
Then it turnt to the blue, then it turnt to the white
Damn near scrape the ground
Never been a strub, but I make her strub tha ground
Straight up out that norf norf
Make your bitch my stomping ground
Bitch I'm on the scoreboard, yes I up the score for now
Bitch I told you strub the ground
Then I'm coming to sweep the town
Meg Thee Stallion, them knees go down
Meg Thee Stallion, them knees go strong
Ain't got time, can't be here for long
Did my straightening then I'ma go on and on

Strub tha ground (strub tha ground) x8
Pop it, don't stop it
Shake that ass, strub tha ground
I didn't bring my wallet
I'm a deal, strub tha ground
Took it to the top
I say swoop, strub tha ground
She put on them 40 inches
I say woo, and strub tha ground

(Yung Miami)

Petty as hell and perfect
This pussy for sale ain't worth it
Saw that bitch talking online
Caught her in person, she begging for mercy
Wrapping my legs on the back of his neck
And my feet by the name on the jersey
Got me a condo in Jersey
He wanted to lease it, but I made him purchase
Strub tha ground, for them bands, I want 'em now
Thotiana, my baguettes said buss it down
My old n****s can't fuck with me
I need 100k for a shopping spree
Fuckn***a why you callin' me
I need a brand new whip for apology
Shake that ass, throw that cash, watch me throw it back
This that WAP, pussy fat, don't be coming fast

Strub tha ground (strub tha ground) x8
Pop it, don't stop it
Shake that ass, strub tha ground
I didn't bring my wallet
I'm a deal, strub tha ground
Took it to the top
I say swoop, strub tha ground
She put on them 40 inches

I say woo, and strub tha ground
