

Queen Adreena, Kitty Collar Tight

Watch how I put it on
Kitty Collar Tight
Make it sing it's song
Make it fight
Make it fight fight

Watch how I put it on
Kitty Collar Tight
Make it sing it's song
Make it fight
Make it fight fight

I hold your history
I kiss the map
I'm looking back forwards
Your tap drips I catch

Watch how I put it on
Kitty Collar Tight
Make it sing it's song
Make it fight
Make it fight fight

Watch how I put it on
Kitty Collar Tight
Make it sing it's song
Make it fight
Make it fight fight

Your skin, my nails
Your mirror, my face
Your skin impaled
For your scars are my grace

Watch how I put it on
Kitty Collar Tight
Make it sing it's song
Make it fight
Make it fight fight

Watch how I put it on
Kitty Collar Tight
Make it sing it's song
Make it fight
Make it fight fight

Watch how I put it on
Kitty Collar Tight
Make it sing it's song
Make it fight
Make it fight fight
Make it fight
Make it fight fight
Make it fight
Make it fight fight
Make it fight
Make it fight fight
Make it fight
Make it fight fight
Make it fight
Make it fight fight
