

# Queen Adreena, Siamese Almeida

Can I show you this state of mind,  
For it is not mine,  
Can I not show you this state of mind,  
For she is not mine,  
I will not entertain this state of mind,  
For it is not mine,  
I will not entertain you,  
For she is not mine

Siamese Almeida

I will not undo these twisted knots + sinew,  
I will not look to find who lives in you,  
I will not hold my hand on fire,  
Take it off my head

I will not entertain this state of mind,  
For it is not mine

Siamese Almeida

I will not change my ways to suit this day,  
I will not change my face,  
I'll hide it from you,  
All twisted bones and sinew

I will not change what's in you,  
I will not change for you,  
I will not change what I hate in you,  
All twisted bones and sinew,  
I will not change what's in you,  
I will not change what's in you
