

Queen Adreena, Soda Dreamer

Rags and riches, I made three wishes
I've been a bad girl and I kissed the witches
I dance naked with animals
I've seen more than you ever dreamed possible

Ah ha
Ah ha
Ah ha
Ah ha

I've seen her, I've breathed inside her
I've seen her adreena
I've seen her adreena

Ah ha
Ah ha
Ah ha
Ah ha

Hags and bitches, I made three wishes
I've been a bad girl and I broke the dishes
I dance naked with animals
I've seen more than you ever dreamed possible

I've seen her, I've grown her seeds-ah
I've been her adreena
I've seen her adreena

Rags and riches, I made three wishes
I've been a bad girl and kissed the witches
I dance naked with animals
I've seen more than you ever dreamed possible

I've seen her, I breathe inside her
I've been her adreena
I've seen her adreena
I've been her
I sowed her dreams-ah
I've seen her adreena
I've seen her adreena
