

# Queen, Breakthrough

When love breaks up  
When the dawn light wakes up  
A new life is born  
Somehow I have to make this final breakthrough  
Now  
I wake up  
Feel just fine  
Your face  
Fills my mind  
I get religion quick  
'Cos you're looking divine  
Honey you're touching something you're touching me  
I'm under your thumb under your spell can't you see  
If I could only reach you  
If I could make you smile  
If I could only reach you  
That would really be a breakthrough - oh yeah  
Breakthrough these barriers of pain  
Breakthrough to the sunshine from the rain  
Make my feelings known towards you  
Turn my heart inside and out for you now  
Somehow I have to make this final breakthrough  
Now!  
Your smile speaks books to me  
I break up  
With each and every one of your looks at me  
Honey you're starting something deep inside of me  
Honey you're sparking something this fire in me  
I'm outta control  
I wanna rush headlong into this ecstasy  
If I could only reach you  
If I could make you smile  
If I could only reach you  
That would really be a breakthrough  
If I could only reach you  
If I could make you smile  
If I could only reach you  
That would really be a breakthrough  
Oh yeah  
Breakthrough breakthrough  
If I could only reach you  
If I could make you smile  
If I could only reach you  
That would really be a breakthrough  
If I could only reach you  
If I could make you smile  
If I could only reach you  
That would really be a breakthrough
