

# Queen, Driven By You

Words and music by Brian May

Oh - everything I do I do for you

Oh yeah

We touch and you're afraid of me and

We burn and now I'm at your feet

High speed, but you know you're in safe hands

In the dark we make a brighter light

From one spark to the horizon wide

We trust and together we tame the land - yeah

You'd be forgiven if you think you're dreaming

But we're working night and day to make a dream come true

- yeah

Everything I do is driven by you

Oh - come on babe

Oh well it's tough to make a journey through

The right stuff is dead ahead of you and me

And you know we've still got time

Hold on tight to the driving wheel

This ride is really out of line

Raw deal, but there's no other that's worth a dime

You know I love you but you drive me crazy

'Cos you're saying all the things I want to say to you

You say

Everything I do is driven by you

Everything we do (4x)

Everything we do is driven by you

Inner children lost their way

Now they know the price you pay

I'm holding on to life with you

'Cos life without you just won't do

Driven by you

You know I'm never going to know who's dreaming

But we're working night and day to make a dream come true

- yeah

Everything I do is driven by you

Everything we do (8x)

Everything we do is driven by

Driven by

Driven by you

Oh - everything I do I do for you
