Queen, Friends Will Be Friends Will Be Friends

Friends will be friends Friends will be friends

Friends will be friends Friends will be friends Friends will be friends

Another red letter day So the pound has dropped and the children are creating The other half ran away Taking all the cash and leaving you with the lumber Got a pain in the chest Doctors on strike what you need is a rest

It's not easy love, but you've got friends you can trust Friends will be friends When you're in need of love they give you care and attention Friends will be friends When you're through with life and all hope is lost Hold out your hand 'cos friends will be friends - right till the end

Now it's a beautiful day The postman delivered a letter from your lover Only a 'phone call away You tried to track him down but somebody stole his number As a matter of fact You're getting used to life without him in your way

It's so easy now, 'cos you got friends you can trust Friends will be friends When you're in need of love they give you care and attention Friends will be friends When you're through with life and all hope is lost Hold out your hand 'cos friends will be friends - right till the end

It's so easy now, 'cos you got friends you can trust Friends will be friends When you're in need of love they give you care and attention Friends will be friends When you're through with life and all hope is lost Hold out your hand 'cos right till the end - friends will be friends Yeah yeah
